

JukeBox⁵ aquarium kit™

Get your fish into the mix!

Sleek and innovative, this aquarium lets you play your favorite music by connecting the LED speakers and your MP3 player or smartphone to the built-in USB ports.

The LED speakers put on a dynamic display as they pulse to the beat of your music.

Kit Includes:

1. Size 5 Glass Aquarium with black background
2. Pulsing LED Speakers with USB and audio cables
3. 3 Separate USB Ports provide power to speakers, MP3 player or smartphone and LED lighting
4. QuietFlow® Power Filtration with small cartridge
5. Contoured Hood with concealed LED lighting
6. Recessed Cord Management Channel
7. Soft Device Cradle holds MP3 Player or smartphone without the risk of scratching
8. Premium Tropical Fish Food and Water Conditioner
9. Setup Guide
