

LED Aquarium Kits

Available in sizes 10, 20, 29 and 55.

Aqueon® boxed kits have been upgraded to include LED lighting! Each kit includes a low-profile hood with built-in cool white LED modules for total aquarium illumination. These starter kits are perfect for entry-level consumers as well as hobbyists looking to trade up to a larger aquarium.

All kits include:

- Glass Aquarium
- QuietFlow® Power Filtration
- Water Conditioner Sample
- Premium Fish Food Sample
- Set-Up and Care Guide
- Sleek Low Profile LED Full Hood
- Submersible Preset Heater
- Thermometer
- Fish Net
