

# LED MiniBow™ Desktop Kit Aquarium

*Available in two sizes and colors:  
black and white in sizes 2.5 and 5.*

Now equipped with a low profile LED hood and removable elevated base, the revamped MiniBows make a stylish statement.

These kits feature all of the essentials to get started, which is ideal for first time small aquarium owners. Each kit includes QuietFlow™ filtration with cartridge, permium food and water care samples and an easy step-by-step setup guide.

The refined look, sizes and colors of the new LED MiniBows is perfect for kids' bedrooms, living rooms or office desktops.

*LED Lighting adds  
bright soft light to your  
aquarium environment.*

### Kit Contains:

- Low profile hood with LED lighting and feeding hole
- MiniBow Aquarium
- QuietFlow Power filtration and filter cartridge
- Elevated base
- Water conditioner and food samples
- Setup guide
