

# Aqueon® Frameless Glass Aquarium

**IMPORTANT SAFETY INFORMATION! PLEASE READ ALL BEFORE USE!**

## Caution! Glass—Handle With Care

This is a quality glass aquarium which will remain clear, leakproof and scratch-resistant for many years to come. To avoid personal injury and damage to the aquarium, handle with care and do not attempt to drill or alter the aquarium in any way.

## Lifting and Carrying the Aquarium

Always lift or carry an aquarium by supporting it from the bottom. **NEVER lift or attempt to move an aquarium that is not completely empty. NEVER lift an aquarium with wet hands;** it could slip and break or cause injury.

## Read This Before Filling the Aquarium

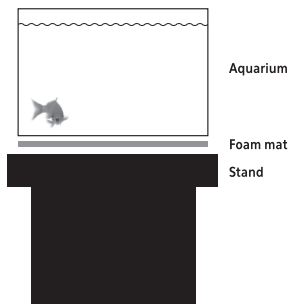

Your aquarium has a very large glass surface area. **When you fill your aquarium, use room temperature water.** If you fill with cool water, condensation may appear on the outside of the glass. This condensation will eventually puddle, making the aquarium appear as if it has leaked water, when in fact the water has come from the outside of the aquarium.

If you get condensation, simply wipe the glass dry until the water reaches room temperature.

## Where to Place the Aquarium

Use an approved solid-top aquarium stand which is designed to support the weight of a filled aquarium. The filled weight of an aquarium is approximately 10-12 pounds per gallon of water. For example, a full 20 gallon aquarium weighs about 200 pounds. **Never set up your aquarium on shelving, book cases, dressers, television sets, tables, carts or any place that will not support the weight of a full aquarium.** This could cause the aquarium to leak, crack or even fall over if a top-heavy situation is created.

**NOTE:** Aquarium must be used with the enclosed foam leveling mat or warranty will be null and void.

## LIMITED WARRANTY

### Aqueon® Frameless Glass Aquariums

- Limited 90 Day Warranty (size 14 and below)
- Limited Five (5) Year Warranty (sizes 15 to 55)
- Limited Lifetime Warranty (sizes 56 and larger)

This aquarium is under warranty by Aqueon against leaks or cracks due to defects in the materials or workmanship, for a period of 90 days (size 14 and below), five (5) years (sizes 15 to 55) and Lifetime (sizes 56 and larger) from the date of purchase.

If the aquarium is found to be defective, the dealer you purchased it from is authorized to exchange the defective item for a new one, provided the following stipulations are met: the aquarium must be used with the enclosed foam leveling mat, the aquarium must be placed and filled on a level, suitably-designed and appropriately-sized solid-top aquarium stand; the aquarium has not been lifted or carried while wet or filled with water or any materials such as decorations or substrate; the aquarium and aquarium stand may not be altered in any way (including drilling additional holes) or used for anything except for their intended purpose. Violating any of the stipulations above will void all warranties.

This warranty is limited to replacement of the aquarium only. This warranty does not cover loss of fish, personal injury, property loss, or damage arising out of use of the aquarium. Some states do not allow the exclusion or limitation of incidental or consequential damages, in which case the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may have other rights, which may vary from state to state. To obtain service under this warranty, the purchaser must retain the original bill of sale for the aquarium as evidence of the date of purchase.
