

Frameless Aquarium Glass Top

- Glass tops are recommended to help prevent evaporation and keep fish from jumping out of your aquarium
- Clear clips install in seconds and provide a clean finished look
- Included: Glass top, 5 clear clips, plastic backstrip (*not included in Size 1 cube*)

Installation Instructions:

Step 1: Place clean glass top on a flat surface.

Step 2: Secure clear clips onto glass top (as shown) so the entire top is supported.

Step 3: Insert the plastic backstrip onto the glass top. **Note:** The backstrip can be cut to size to fit your filter or other accessories.

Step 4: Place glass top on aquarium.

Note: A fifth clip can be placed in front of the glass top for extra support and to be used as a handle (optional).
